

# Plastic Clever School action plan

## What problem plastic(s) are you going to tackle?

E.g. Single use bottles and cups

- Single use bottles and containers
- Glitter
- Plastic bags
- Single use food materials or wrappings

## What can you do to reduce it?

E.g. Get everyone to use a reusable bottle instead

- Staff will use reusable bottles e.g. stainless steel bottles.
- We use reusable shopping bags when getting our weekly shop.
- We make paper confetti now instead of using any glitter

## What help will you need?

E.g. Help to spread the message to pupils, staff and parents. Also, we'll need to speak to Mr. X to ask to stop ordering the single use cups.

- We will take photos of our display boards to show parents / carers.
- We will read "~~the~~ why do we recycle" book and "Harry saves the ocean" for the children to develop awareness about plastics and plastic pollution.

## How will you know you've been successful?

Everyone has a reusable bottle and the school has stopped ordering the cups.

- All staff have reusable bottles and containers
- We don't buy CD's we use online services such as spotify and youtube.
- We regularly donate toys as well as reducing how many plastic toys we own.
