

Plastic Clever Schools Waste Audit

Location _Arnold View Primary and Nursery School

Date of inspection by Yvonne Garaway – 1st April 2022

Area	QUESTION	Y	N	N/A	REMARKS / ACTION
Plastic Hotspots	1. Can we reduce the amount of black bin bags the school uses on a daily basis?	Y			Each classroom had 2 bins that used black bin bags, one of the bins has been removed from the classroom. The bin bags which are left in the bin situated in the classroom are used for more than one day as long as they are not contaminated with perishable goods.
Plastic Hotspots	2. Can we recycle whiteboard pens?	Y			Under investigation through Terracycle, located at a collection point within our Borough.
Plastic Hotspots	3. Can we recycle or look at other ways of administering school milk to pupils?	Y			Cool Milk system will provide milk in bulk, in large containers with individual cups so pupils can still have their milk and the cups washed after each use.
