

# Plastic Clever School action plan

## What problem plastic(s) are you going to tackle?

E.g. Single use bottles and cups

Sandwich cartoons and plastic bottles.

## What can you do to reduce it?

E.g. Get everyone to use a reusable bottle instead

- Do a march (during first break).
- Tell teachers to present to their class.
- The teacher should email the parents regarding our research, to use reusable items.
- Post something on the school website about it: newsletter.
- Eco monitors to tell people to pick up their rubbish.
- An assembly.
- Have a no-plastic day.
- Reusable bottles handed by the school to the students? With the K.C.C.O. logo on it.

## What help will you need?

E.g. Help to spread the message to pupils, staff and parents. Also, we'll need to speak to Mr. X to ask to stop ordering the single use cups.

When everyone is using reusable bottles.  
No juice is left on the playground after break.

## How will you know you've been successful?

Everyone has a reusable bottle and the school has stopped ordering the cups.
