

Plastic investigator record sheet

Can you find one of each of the seven different types of plastic in your house? Write what you found for each type of plastic in the space provided. The numbers on different plastic products can help you. Not all plastic products will have the arrow symbol on them, and you may need to search online. Ask an adult to help with this.

Polyethylene Terephthalate (PET, PETE or polyester)

I found...

High-density Polyethylene (HDPE)

I found...

Polyvinyl Chloride (PVC)

I found...

Low-density Polyethylene (LDPE or polythene)

I found...

Polypropylene (PP)

I found...

Polystyrene (PS)

I found...

Others including acrylic, nylon and multilayer combinations

I found...

Not sure what it might be? Try searching the manufacturer's website.
