Let's make waves!

These upcycled plastic waves are a great way to show people that you are part of the Plastic Clever Schools community.

1. Find an old bottle or plastic container to upcycle

2. Wash it

3. Using scissors, carefully cut out the shape of the wave (ask an adult for help if you need it).

4. Use a hole punch to create a hole in the top of the wave

5. Loop an old piece of string or ribbon through the hole and tie in a knot

6. Attach your wave to your school bag
