

Lilleshall Primary School Eco Committee

Plastic Clever Schools Action Plan September 2024

**1. To illuminate the use of plastic pots for fruit and salad at lunchtimes.**

Eco committee to meet with the kitchen staff to look at alternative methods to serve fruit and salad, for example, invest in a salad bar trolley that children serve themselves from.

**2. Reduce the amount of laminating in school.**

Eco Committee will write a school policy that sets out what can be laminated and what should not be laminated. This will be shared in assembly and displayed on the eco notice board. Monitors will be appointed to assess the impact of the policy.
