

How our campaign looks at Lilleshall Primary School

Our new salad bar in action. This has replaced single use plastic pots at lunchtime that we used to use to give out fruit and salad.

Years 3 and 4 felt inspired by our campaign and produced a display showing the dangers of plastic in our oceans.

Our Eco Committee board, which shows our progress towards the Plastic Clever Schools award.

Posters have been put up by laminators to encourage staff to consider if they really need to laminate
