### Plastic Clever School Action Plan

What problem plastics are you going to tackle?	What can you do to reduce it?
<p>Reduce the amount of laminating pouches we use in school.</p>	<p>Speak to teachers and other staff about the impact of laminating on the environment.</p> <p>Ask teachers to only laminate something if it is absolutely necessary.</p> <p>Only order a small amount of laminating pouches for staff to use.</p>
<p>Reduce the amount of plastic whiteboard pens we use in school.</p>	<p>Order less pens for classes to use.</p> <p>Deliver a presentation to all classes about the impact of the pens and what the children can do to help us.</p>
What help will you need?	How will you know if you have been successful?
<p>Help from Mrs Martin to tell staff.</p> <p>Mrs Martin to put an article that we write in the newsletter to tell parents what we are doing.</p> <p>Time in assembly to share our work and messages.</p> <p>Messages to go on Seesaw and the newsletter.</p> <p>Time to talk in school council meetings about progress.</p>	<p>Less laminating pouches are being used.</p> <p>Less pens being used.</p>
